

itSMF BELGIUM ANNUAL CONFERENCE 2011  
17 MARCH 2011 – METROPOLIS ANTWERP

# Leadership leads the way

**Speaker :** Georges Ataya  
Academic director  
Solvay Brussels school

**Title of the presentation :** Presenting CobiT 5

**Summary of the presentation :** ISACA is developing the new major release of its IT Governance framework. This presentation is intended to present the structure of the planned new framework.

Intended to be the platform over which all researches from ISACA will be based, CobiT 5 is planned to have an impact for all IT professionals incombres with service management and IT Governance.

This presentation will coincide with the publishing of CobiT or after the publication of major concepts and principles.

The presentation shall include links between CobiT5 and ITIL v3.

A group of hikers with backpacks and poles are ascending a steep, snow-covered mountain slope under a clear blue sky. The hikers are in the foreground and middle ground, moving away from the viewer.

Leadership  
leads the way
